Nelson Aggregate Co.
Community Liaison Committee Questionnaire/Application

Nelson Aggregate Co. wishes to establish a forum to engage community representatives in a mutually beneficial discussion related to the operation of the company's Burlington Quarry. To this end, we would appreciate your comments on the usefulness of such a mechanism for ongoing dialogue with the community in which we operate.

We would appreciate you taking the time to answer the few questions that follow and if you have an interest in participating in the proposed committee could you please provide contact information – email address, phone number or address – in order that we can follow up with you about formally establishing a liaison committee.

Circle the answer that best fits. If you wish to clarify or qualify your answer, feel free to add comments.
